

Pre-Arrival Yard Prep Checklist (GTA)

ALMAR Demolition - GTA Homeowner Guide 2026

Clear the Way

1 Open the access route

Move vehicles, trailers, and bins off the widest firm path.

2 Handle the gates

Unlock or remove gates and measure the tightest width in advance.

3 Move breakables

Shift furniture, planters, and decor clear of the work zone.

4 Set the bin spot

Pick a disposal-bin location a truck can legally reach.

Protect and Confirm

1 Mark what to protect

Point out lawn, driveway, irrigation, and any septic bed.

2 Confirm the locate

Make sure buried utilities are marked before any digging.

3 Note overhead lines

Flag hydro, telecom, and low branches over the route.

4 Keep the site clear

Kids and pets indoors or off-site during machine work.
